# GLORY DAYS . . .

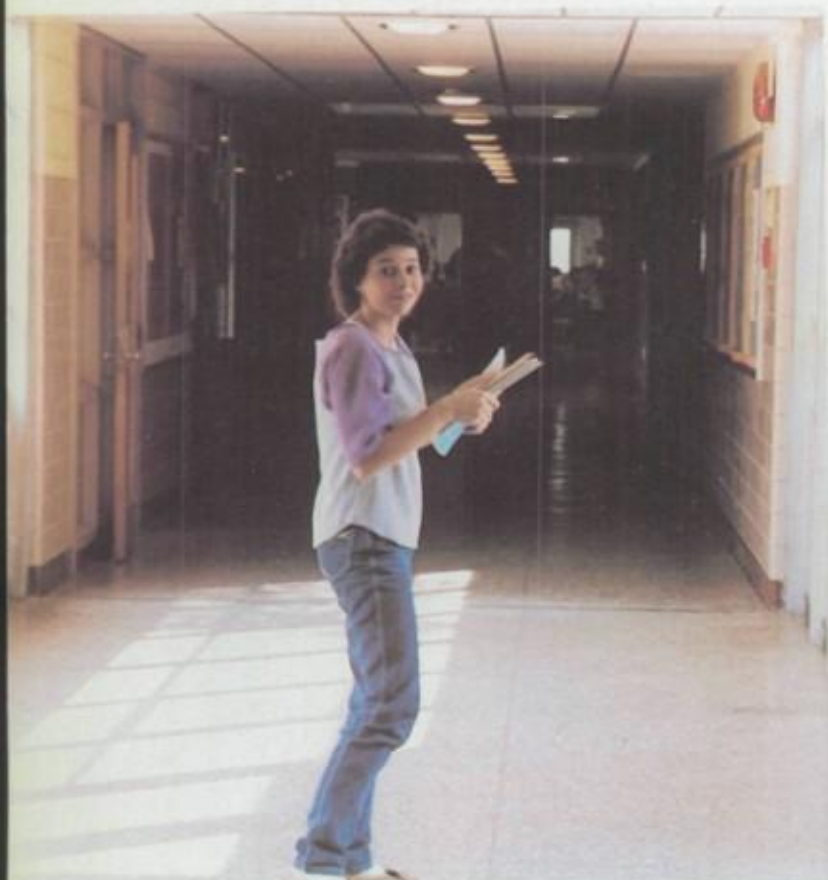

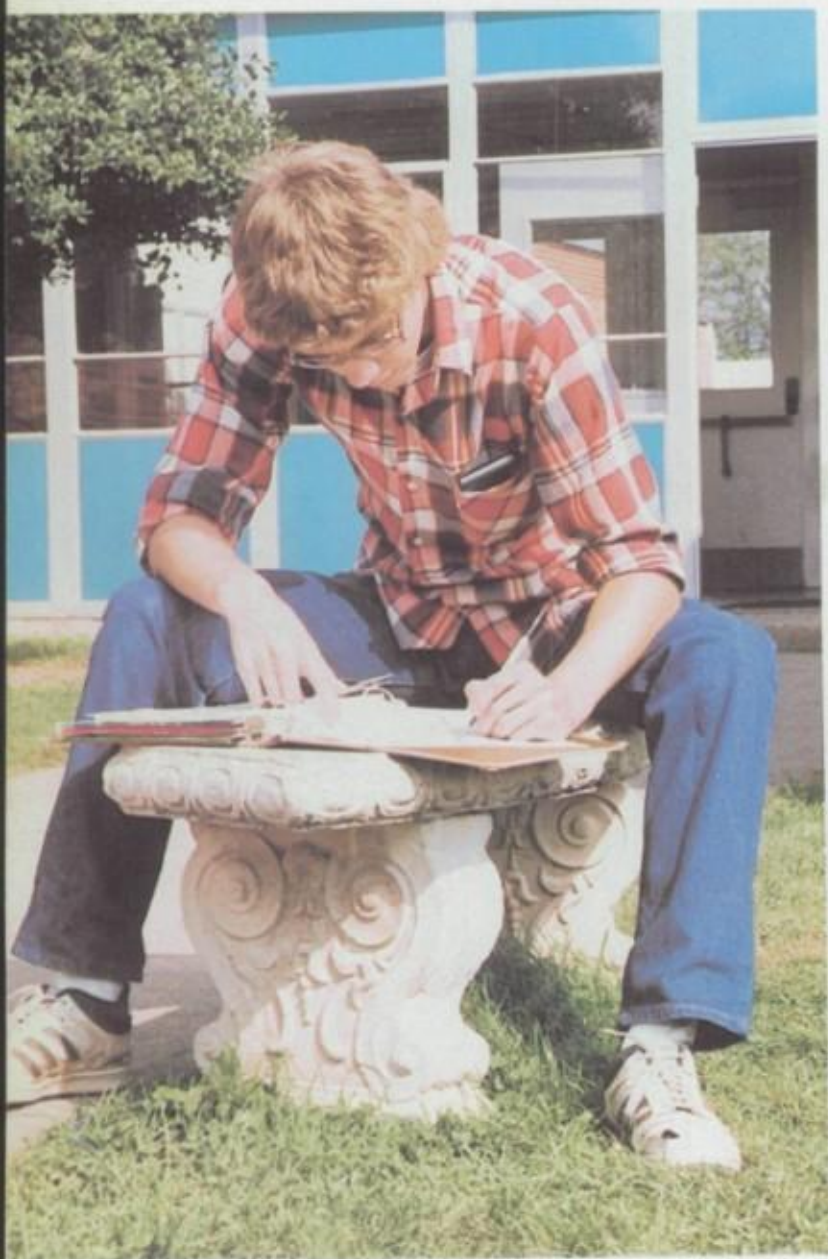

# THEY PASS US BYE

For everything there is a  
season and a time . . .

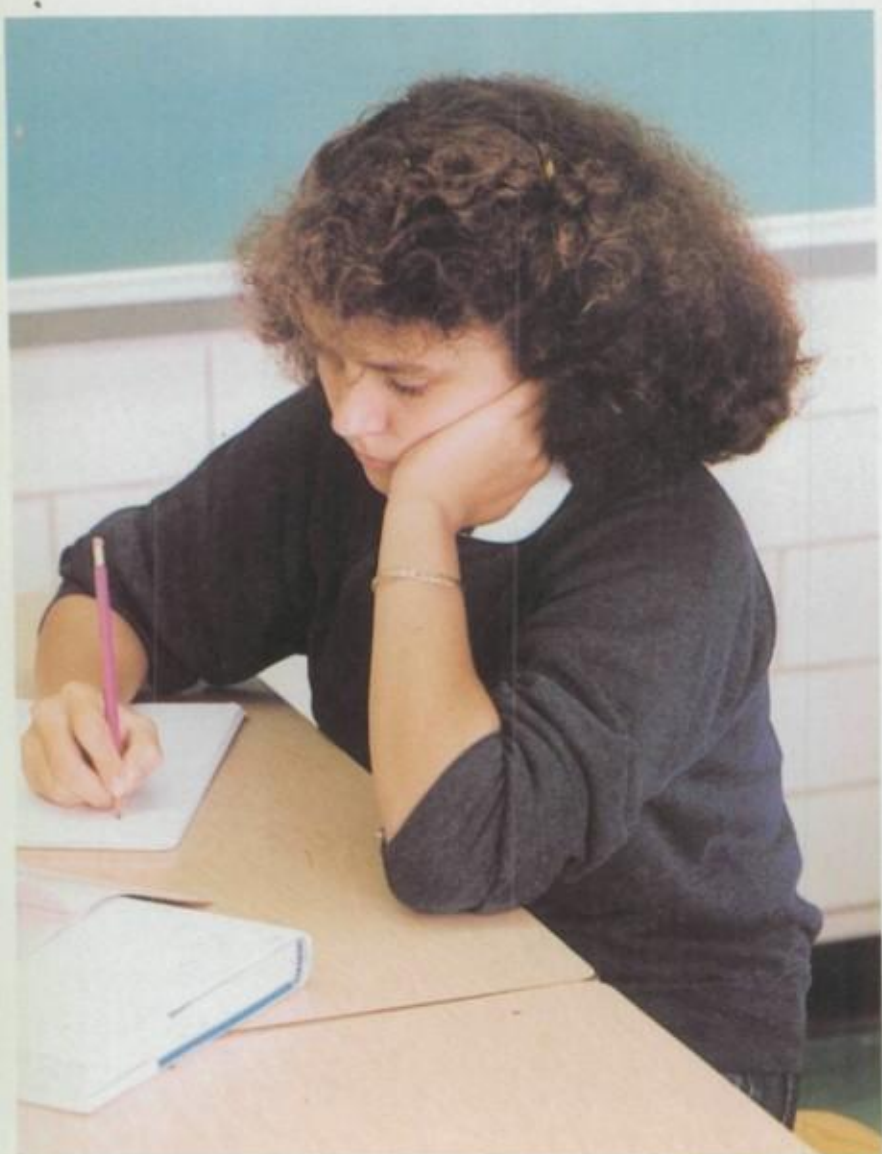

We shall take with us memories . . . for a chapter of our lives has just ended and a new one is about to begin

Still the empty feeling  
deep inside . . .  
All the hesitation about  
saying goodbye,  
But in our time together  
I can see,  
A part of you has become  
a part of me

# SENIORS

# CLASS OF '86

**I**t has often been said that music "makes the world go round." For the Seniors of the Class of 1986, "tunes" have played a major role in their day-to-day lives. Radios wake them around 6:00 a.m. each day, accompany them to school in buses and cars, in the corridors and study halls, around work, and, finally, at home until their day ends.

As a way of discovering 1985-86 Del Val musical tastes, the year-book staff queried the seniors during the month of November. Questions included the following: Who or what is your favorite Song, Vocalist, Group, Album, Concert, Radio Station, and Style of Music. Near the seniors' pictures appear their personal choices and in large, bold print on random pages are the results of the top three responses.

# Action . . . not words . . .

**T**hat is what the terriers have to say about their 1985 season. Although they haven't been the most consistent team, they always pulled through when needed. The team was plagued during the season by inexperience, but with the help of their new coach, Miss Steele, they began to come together.

Miss Steele has done a great job with

this group of girls who have the potential to be even better next year.

The captains this year were Nancy Lafevre, (senior) who was also leading scorer, and Lisa Blazure (junior). In the goal cage was Candi Hewitt. This was Candi's first year in the cage. She only had 8 goals scored against her and she stopped 2 out of 2 penalty strokes.

Now . . . keep your eye on the ball . . .

Cindi and Sallie play peek-a-boo.

This year's Terrier booters went through two major changes. Mr. Willever, the varsity mentor for 5 years, took over as J.V. coach and was replaced by Mr. Otto Ormosi. Mr. Ormosi was soccer coach for the Kingwood Elementary School and is presently the Kingwood Physical Education Instructor.

The other change experienced by the Terriers was the merger between Del Val and South Hunterdon. The Eagles brought 5 talented varsity players to DVR each afternoon. Three saw a considerable amount of varsity action. The team was led by captains Scott Wilson, a senior, and Pat Ficsher, a junior.

New Coach Ormosi concentrated mostly on improving the team's skills and placed less emphasis on conditioning. He hopes to get a spring soccer team together. Soccer camp also might be in store. Ac-

cording to Captain Scott Wilson, the most exciting thrill for the varsity players came against Voorhees in their only night game. Playing under the lights before a large crowd and winning a decisive victory helped to create a positive memory for the Terrier squad.

Yes, Chris, that is a soccer ball.

# Baby, They Were Born To Run!

This year's cross country team was off to a "running" start. Under first year coach, Lou Dillulo, and with the guidance of co-captains, Leslie Rey and Angela Perrucci, the Terriers ran their way to a fourth DRC crown. The DRC team consisted of Angela Perrucci, Leslie Rey, Traci Smith, Kirsten Hansen, and Michelle Jones. Honorable mentions consisted of Tricia Andrejack, Suzy Debacco, Kathy Stevely, and Sherry Nemeth. There were also quite a few exciting moments. Angie Per-

rucci shattered the course record, set last year by Ugi, by fourteen seconds and qualified for the state meet by finishing ninth in the sectional meet.

The team also won a tough meet against Sommerville, by one point. Helping out in the victory was Tricia Andrejack, who sprinted past three Somerville girls at the finish. This just goes to show that you win as a team and lose as a team. These girls really worked together and had "FUN."

All this, and he can coach, too!

## It's a long way to the top!

**T**he boys' cross country team had a very successful season. Under veteran coach, William Petty, and with the leadership from co-captains, Scott Tettemer and Mike Bednarick, the harriers ran their way to a fourth consecutive DRC title. Fred Piell was the DRC champion. But this wasn't the highlight of their season; the boys worked hard and grouped well. The result was finishing third in the sectional meet to qualify for the Group 2 state meet. Fred Piell placed 8th in the meet while Mike Dipple took 10th. Usually a successful team loses a lot of talent due to graduation, but Mr. Petty will only lose three, and his top two runners will be returning next year to defend the Terriers reign of the DRC.

Congratulations for a job well done!

## "D.V.R. OH YES, #1 THE BEST . . . . ."

This is the attitude D.V.R.'s Cheerleaders strive for. The Cheerleaders lost 6 seniors, reducing the 1985 D.R.C. champion squad to 5 veterans. The new squad began practicing in July for camp at Montclair State. They met tough competition at camp. Taking third place made the team eligible for the Grand National Competition in Michigan. However, the girls passed up the offer to compete so they were able to prepare for their regular season of cheering.

The squad, under the supervision of first-year coaches, Scott Cariddi and Janet Ferraro, did an excellent job of promoting school spirit during the fall season.

# One for the money, two for the show . . .

In September the Terriers started another season of Del Val football. Jim Day, serving his 3rd consecutive year as head coach, was aided by Mr. Webb and Mr. Hamlin at J.V. level and Mr. Shaw and Mr. Miller at the freshman level.

Six lettermen returned from last year's varsity team: Mike Todd, Chris Downer, Brian Pollard, Jeff Booth, Shawn Jennelle, and Eric Hansen. With the loss of Matt Deganaro and Lance Jacobs, who both moved from the district, the team went through some changes.

Relying on a squad of mostly juniors and two sophomores, Paul Buykins and Scott Hughes, Coach Day brought the boys a long way. Early on in the season the young team began to realize its potential.

Through thick and thin the Gridders stuck together. They started off well by crushing Pious X 21-0, but the "dogs" couldn't keep up with the tough DRC competition.

Don't worry Coach Day, they'll pull through!

# THEY'RE PLAYING . . .

# B A S K E T B A L L

"When the going gets tough, the tough get going!" That's exactly what the women hoopsters did. They opened the season winning nine straight until a disappointing loss to P'burg High. But the squad "rebounded" and came back strong with a close game victory over rival Warren Hills.

The turning point of the season for the lady Terriers was winning the Golden Falcon Christmas Tournament, hosted by Bridgewater West. In the first game they avenged last year's loss to Somerville in the Central Jersey Group II playoffs with a 49-39 win. Although the going "got tough," the Terriers managed to come out on top with an exciting 2 point victory over Immaculata for the tournament championship. Barb Whitman was named to the all tournament team, while Ang Perrucci took home the MVP.

The women hoopsters had continued success throughout the rest of their season as they strove toward the DRC title and the Central Jersey crown. Here is what Coach Feath had to say about his team:

*"All successful teams must have more than five players who are willing to make the sacrifice. Candy Hewitt and Lori Gilbert fulfilled their roles on the team admirably. Not once did I hesitate to use either when the necessary situation presented itself."*

*Successful teams must also be blessed with a certain degree of luck. This year's luck arrived in the form of a 5'11" transfer student from*

*Warren Hills named Dawn Heusser. Dawn fit perfectly into the program from the beginning and exhibited a positive influence throughout the season.*

*Another element needed for success is surprise. That surprise this year was the very competent play of Jenny Deo. Her defensive hustle and ball handling skills could always be counted on to help us in victory.*

*The last ingredient to success is the leadership qualities of the experienced players. This year's trio of Ang, Barb, and Les performed their role to perfection. As long as Ang was on the floor I knew our chances of winning were good. A rebound, an assist, a steal, or a basket, you just knew she would make the big play.*

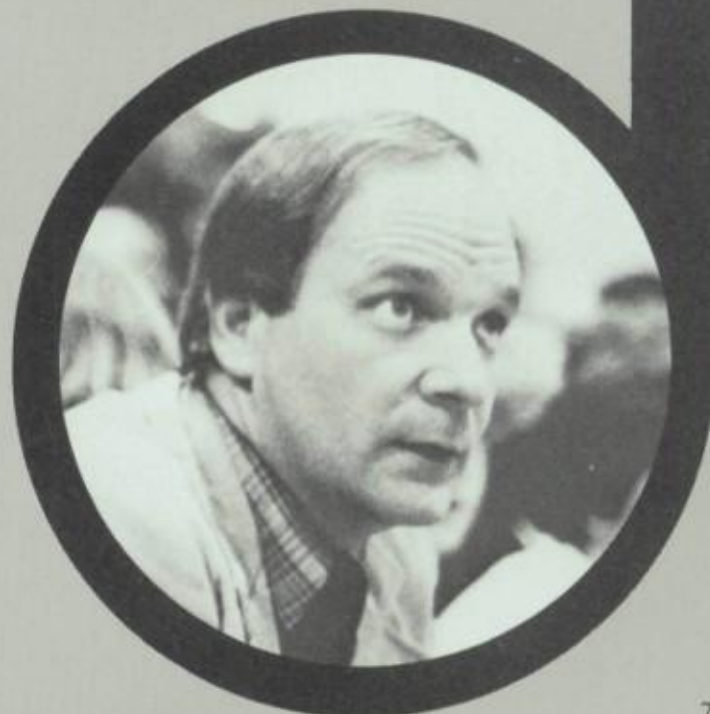

*Barb Whitman is the best pure shooter I've had the privilege to watch. Her knowledge of the game and court sense were major factors in many of our wins over the past 3 years.*

*Leslie Rey is the type of player every coach loves to have on his team. Whatever it took to win a game, Les would somehow provide.*

*Put all of these ladies on the floor together and you knew something good was going to occur. The different personalities combined and all strived toward one goal. Yet through all the hard work, sacrifice, and total effort given by these girls, the most enjoyable aspect of this season has been the opportunity to coach such a pleasant group of young ladies."*

# BOYS BASKETBALL

The DVR Hoopsters are

## Young & Restless

**T**he Del Val hoopsters had a tough time in the DRC this year. Near the end of the season they maintained a record of 8 wins and 9 losses with 5 games remaining. The major factor for this outcome is the fact that the Terrier team consisted of six Juniors and two Sophomores. They definitely had their work cut out for them. Further complicating matters was the fact that out of eight varsity players, Pat Fisher was the only returning letterman. The team played "big" against the strong oppositions.

Starting at guard positions for the mighty Terriers were Rob Brogan and Pat Fisher. The two were very effective

at taking the ball to the hoop and combined, averaged about 18 points per game. Wingmen Mike Dipple's passing and Ted Forker's outside shots helped out a great deal. The team's leading rebounder, Todd Myers, when given the ball demonstrated "NBA" like moves. Danny Cole and Todd Myers intimidated the opposition by leading the team in blocked shots. Chip Nelson and Ryan Teets, helped out when help was needed.

The guys worked well as a team and they will be together again next year to avenge the losses of this year.

What a jump ...

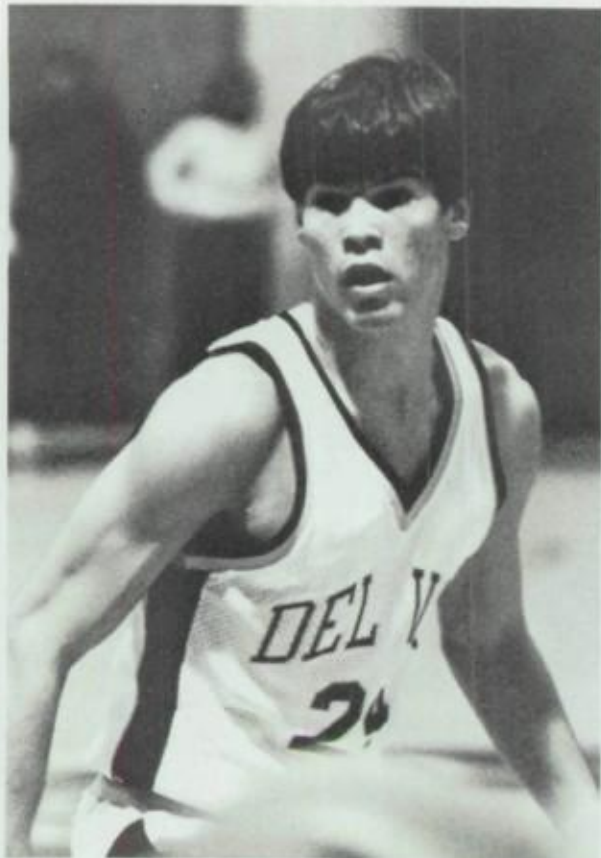

Okay guys ... let's do it again!

Awesome!!!!

four were returning letter winners. The lack of experience did not create a problem. The team proved themselves through hard work and dedication.

A tense moment for Coach Fitz.

This year's grapplers were up against tough competition. As with the female Terrier hoopsters, "When the going gets tough, the tough get going," that's exactly what the graps did. The team put up some tough battles to finish with a record of 13-8.

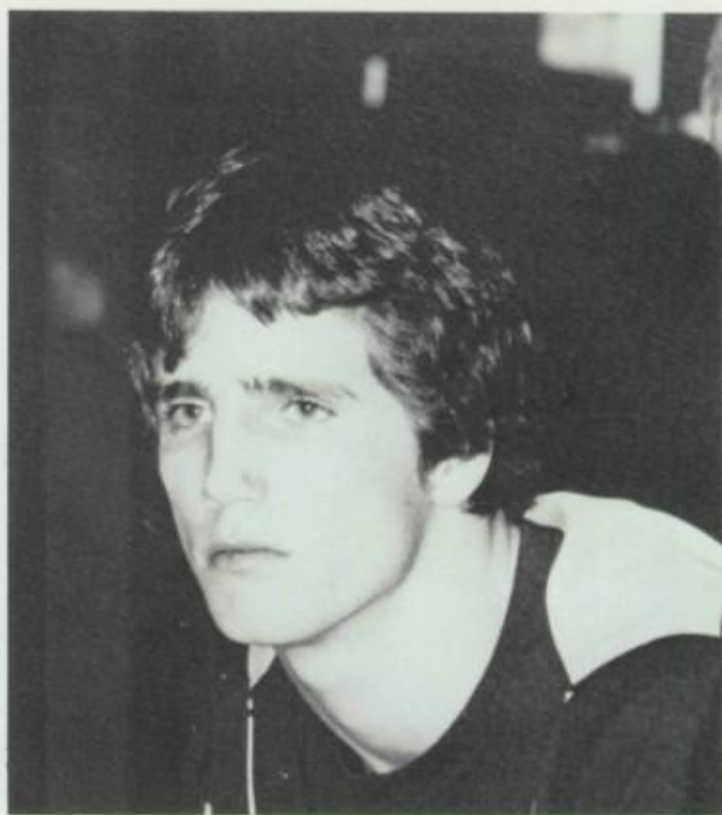

Coach Fitz advanced eight wrestlers from the Districts to the Regions and received two team trophies at the Top of East Tournament at South Brunswick in December. Rick Savacool and Jamie Wicks won at the Districts and Bill Aschenbach, Jamie Wicks, Rick Savacool and Scott Tettemer qualified for the States.

# HALL OF CHAMPIONS

## HOOPSTERS - CENTRAL JERSEY FINALISTS

Standing: Coach Feath, Gloria Heusser, Leslie Rey, Dawn Heusser, Barbie Whitman, Kneeling: Jenny Deo, Angie Perrucci.

For the second year in a row the Fighting Women Hoopsters reached the Group II Central Jersey finals. They entered the finals with an overall record of 21 wins, 5 losses - a tough match for anyone.

The Terriers faced the menacing height of the Holmdel girls and, unfortunately, the outcome was not in their favor. The team played a good game but not good enough to compensate for Holmdel's height advantage.

The road to the finals was challenging but the Terriers were well prepared thanks to the great coaching efforts of mentors Feath and Dzury. In their last home game against Monmouth Regional, the women hoopsters made it evident that the quarterfinals were merely a stepping stone in their post-season play.

The next obstacle standing between the Terriers and the finals was Ridge.

The beginning of the game was slow for both sides, but by the second quarter Del Val took control of the semifinals and breezed past Ridge 58-40.

This would be the last victory for the Terriers this season since they lost the battle in Sayerville for the second consecutive year. The Terriers put on a good show and have nothing of which to be ashamed. They played tough all season long. Congratulations, for a job well done!

Coach Feath also had his four seniors chosen to play on the all-star team. Barb Whitman and Angela Perrucci were selected to the all conference team.

Barb also made second team all area (by *The Express*), and the Star-Ledger's second team West Jersey and third team Group II. To end her high school career, Whitman, an exceptional forward, set two records at Del Val. She has the most points scored in a single game with 32, and the most points in a career.

Ang was selected to *The Express's* all-area third team. She was also selected to *The Star-Ledger's* second team West Jersey and second team Group II. Perrucci played out her high school days, in the backcourt, by setting the school record for most points scored in a single season.

## WRESTLERS - CENTRAL JERSEY FINALISTS

Standing: Scott Tettemer, Rick Savacool, Kelly Wicks, Jamie Wicks; Kneeling: Rob Godown, Billy Aschenbach.

The wrestling team, coached by Mr. Fitz, also had a successful season. The grapplers made it to the Central Jersey group II finals, but lost the match to Ridge.

Coach Fitz had six wrestlers that placed in the districts and were named to the all conference team.

Rob Godown placed second in the districts, and was one of the six named to the conference team.

Billy Aschenbach finished second in the districts, third in the regionals, and made the conference team.

Kelly Wicks took second in the districts, fourth in the regionals, and was another to make all - DRC team.

Jamie Wicks won the districts in his weight class, placed third in the regionals, and made the conference squad. Jamie also tied the single season win record (29-3) and captured the most falls in one season with 20.

Scott Tettemer also finished second in the districts, third in the regionals, and was named to the conference team for the third year. Tettemer is second on the all time Del Val career win list.

Ricky Savacool finished out his high school career by winning both the districts and the regionals, and placing second in the state. For the fourth consecutive year, Rick made the all conference squad. In addition to all this, Savacool also set the record for the most career wins by a Del Val wrestler with 91.

Okay. Now what do I do?

"Put me in coach, I'm ready to play" is what Coach Petro heard from day one of the 1986 season. The team started practice on March 7 and played until the end of May. The coach had a larger squad this year, carrying 15 players on the team, with the nucleus comprised of 5 returning lettermen: Charlotte Anderson, Nancy LaFevre, Jennifer Sheridan, Valerie Wilson and Lisa Blazure. Moving up to round out the squad were Karen Cyphers, Donna Burd, Diane Prekel, Sue DeBacco, Candi Hewitt, Jennifer Deo, Kara Peluzak, Tracy Hall and, on the

mound, Amy Cobb and Nicole Petro.

The majority of these are first time Varsity members which Coach Petro formed into one supercharged team. The coach and his girls had huge shoes to try and fill when looking back at last year's squad which defeated Jefferson High School to become New Jersey's Group 2 State Champions. As a result of this achievement, Coach Petro was named to the Coaches Hall of Fame.

This year's varsity baseball team was coached for the ninth consecutive year by Mr. Andrew Baka. The team faced some tough competition in the D.R.C. However, the Terriers were definitely one of the more inexperienced but talented teams. The varsity squad was led by three seniors, L. Bournias, B. Pollard, and K. Reehl. The rest of the team was made up of six juniors and four sophomores. No matter what the outcome of this year's season, this young team should prove to be a tough D.R.C. and state contender in the years to come.

The girls track team was guided by first year coach Miss Ferraro. The team was lead by several returning lettermen. Among them Seniors Tricia Andrejack, Angela Perrucci, and Leslie Rey, Juniors Allyson Pellino, Traci Smith, Wendy Pandy, Michele Deemer, and Jen Shenburger, and Sophomore Nancy Dawley. Along with the new kids that came out, the girls had a successful season as they strove toward another DRC crown.

Although all of the tracksters' meets were away this year (due to the poor condition of the track surface), the girls managed to have fun, and learned what team unity was all about.

With all the new talent and the girls returning next year, Del Val should have no problems staying on top in the DRC.

Top Row: Mrs. Fredericks, Sharon Myszka, Dawn Heusser, Angie Taylor, Debbie Clasen, Caralee Arnold, Mr. Merkel, Scott Moore.  
Bottom Row: Michele Wickel, Angie Perrucci, Jennifer Sheridan, Laurie Kitchin, Sue Moebus, Karen Vegh.

In September while most students were starting to adjust to school and had a light work load, the "Valley" staff was working diligently to meet the requirements of their first deadline. With little or no knowledge of picas, typesheets, or cropping, these fifteen students compiled the first section of the book.

Sue Moebus, who had obtained some knowledge of the yearbook tasks last year, quickly realized she had a lot more to learn. With Sue's knowledge, Mr. Merkel's advising, and help from Mrs. Fredericks in business affairs and Mr. Esposito, the company representative, the 1986 yearbook was completed in early April. The theme of music of the past five years carries throughout the different sections.

The "Valley '86" had a new challenge to work with this year. Besides the transfer of publishers, a sixteen page color section was introduced into the book.

# Key Club

## "Feed The World"

The Key Club has experienced enormous growth since it was started last year. The group has more than doubled its number of members and programs. Activities such as volleyball tournaments have raised funds that have been donated to worthy causes. Members also visit nursing homes on a weekly basis as a way of serving the community. Under the advice of Mr. DiLullo and Mrs. Kappler, students work hard to attain at least ten points a month to maintain their memberships.

This year's Mock Trial team consisted of lawyers Kelly Cunningham and Chris Kauza, witnesses April Swieconeck, Chris Riccardi, and Kimberly Shepherd, and alternate Katherine Grim.

Under the direction of Mr. Darrell Merkel, the team prepared both sides of a murder case. The team worked under the expert guidance of attorney Mr. Robert Durst and his assistant, Ms. Chris Hall.

The case this year involved a man who shot and killed his friend. The Prosecution said that he murdered the man, and the Defense said that he fired the gun in self defense. (The case is outlined by the New Jersey State Bar Association).

The team prepares the case for approximately two months, and presents it at the Flemington Courthouse before an actual judge who decides which team will advance to the next level of competition.

The Golden Regiment, known to Del Val students as the marching band, is a group of a little more than fifty very dedicated and talented students who are directed by the music teacher, Mr. James Sheeley.

The hard work begins during the middle of summer, when all the band members and the band front attend camp. Here, the freshmen, still shy, observe and learn the skills of the older members. By the end of the week a "new group" has been formed; each member doing his or her best part to please the fans during halftime.

Following in Henry Joeseeph's footsteps, Diane Prekel became a drum major; and beside her was April Swiencone, doing her job for a second year. Through their leadership and Mr. Sheeley's directing, the Golden Regiment performed at football games, various local parades, numerous competitions, and attended a trip to South Carolina in April.

While students leave and new ones arrive, the quality of performances put on by the Golden Regiment is ever-increasing.

Membership is achieved through a point system. Members who gain points through working with the plays are usually admitted at the end of their sophomore or junior year.

The society, through fund raising efforts, raises money for trips into New York to see professional Broadway productions. This year they saw *Cats*, *A Chorus Line*, and *42nd Street*.

# The "Inspiration" Of '85

Last year's prom, under the theme, "Inspiration", was held on May 18, at the Sheraton Inn in Easton, Pennsylvania.

For most upperclassmen, the night was filled with romance and excitement. During these three hours, the couples danced and enjoyed each other's company.

Later on in the evening, it was announced that Lynne Szelag and Nick Buck were Queen and King, and Angie Perrucci and Jeff Booth, Prince and Princess.

Every couple left with their own pocketful of memories and an evening they would not soon forget.

# Staff

The members of the class of 1986 have seen a number of staff changes as they've gone from September of their Freshman year to June of their Senior year. However if they have occasion to stop back at D.V.R. next year for a visit, there are three people who, due to retirement, will no longer be here: Mr. Martin Gray, Director of Student Personnel Services, who serves in several administrative capacities; Mrs. Betty Sigafos, Guidance Secretary, the lady who "seems to run the guidance office," and Mrs. Beatrice Corrice, Attendance Secretary, the lady whom "you have to see if you are late or absent."

In an interview conducted by the yearbook staff, we learn a little more about their experiences and memories over a combined total of almost 70 years at Delaware Valley. Mrs. Sigafos finds her fondest memories in the early 1960's with the success of sports teams while watching her own children grow through their Del Val experiences. Mrs. Corrice especially enjoyed her years late here when she had her own teenagers present. Mr. Gray remembers his contribution to the development of curriculum.

Asked how D.V.R. has changed, the three listed changes in styles of dress and music as being very noticeable but feel that student behavior and attitudes really haven't changed.

The group agreed that D.V.R. has changed for the better in terms of size, offerings, and discipline (Mrs. Corrice adds, "The originality of excuses never ceases to amaze me!") They also feel that the school has given them a better tolerance and compassion. They will miss the involvement with students while watching them grow and mature into adults.

With the exception of the 1970 auto accident which killed secretary Priscilla Kennedy and her two sons, who were Del Val students and athletes, (thus the Kennedy Memorial Scholarship) most of their memories of D.V.R. are happy ones. Mrs. Corrice remembers her work as Board of Education secretary; Mr. Gray feels very positive about his role in developing the special education program which has been recognized throughout the state, and Mrs. Sigafos fondly recalls involvement in all phases of school life from watching the athletic teams to helping seniors with their college applications.

As they look forward to their "golden years," they intend to seek the pleasures of life that their career wouldn't permit previously. Mr. Gray wants to travel, collect antiques, and do some volunteer work; Mrs. Sigafos wants to travel and spend time with her family; and Mrs. Corrice hopes to write a book based upon her experiences at D.V.R.

The accomplishments, contributions, and assistance of these three will be greatly appreciated and they themselves dearly missed. On behalf of the student body and faculty members, we would like to wish Mrs. Corrice, Mrs. Sigafos and Mr. Gray the best of luck in the future and thank them for helping to shape and improve Delaware Valley Regional High School.
